

It's called whitepaper for a reason

because \$FUCKTRUMP is bigger than \$TRUMP

it's white

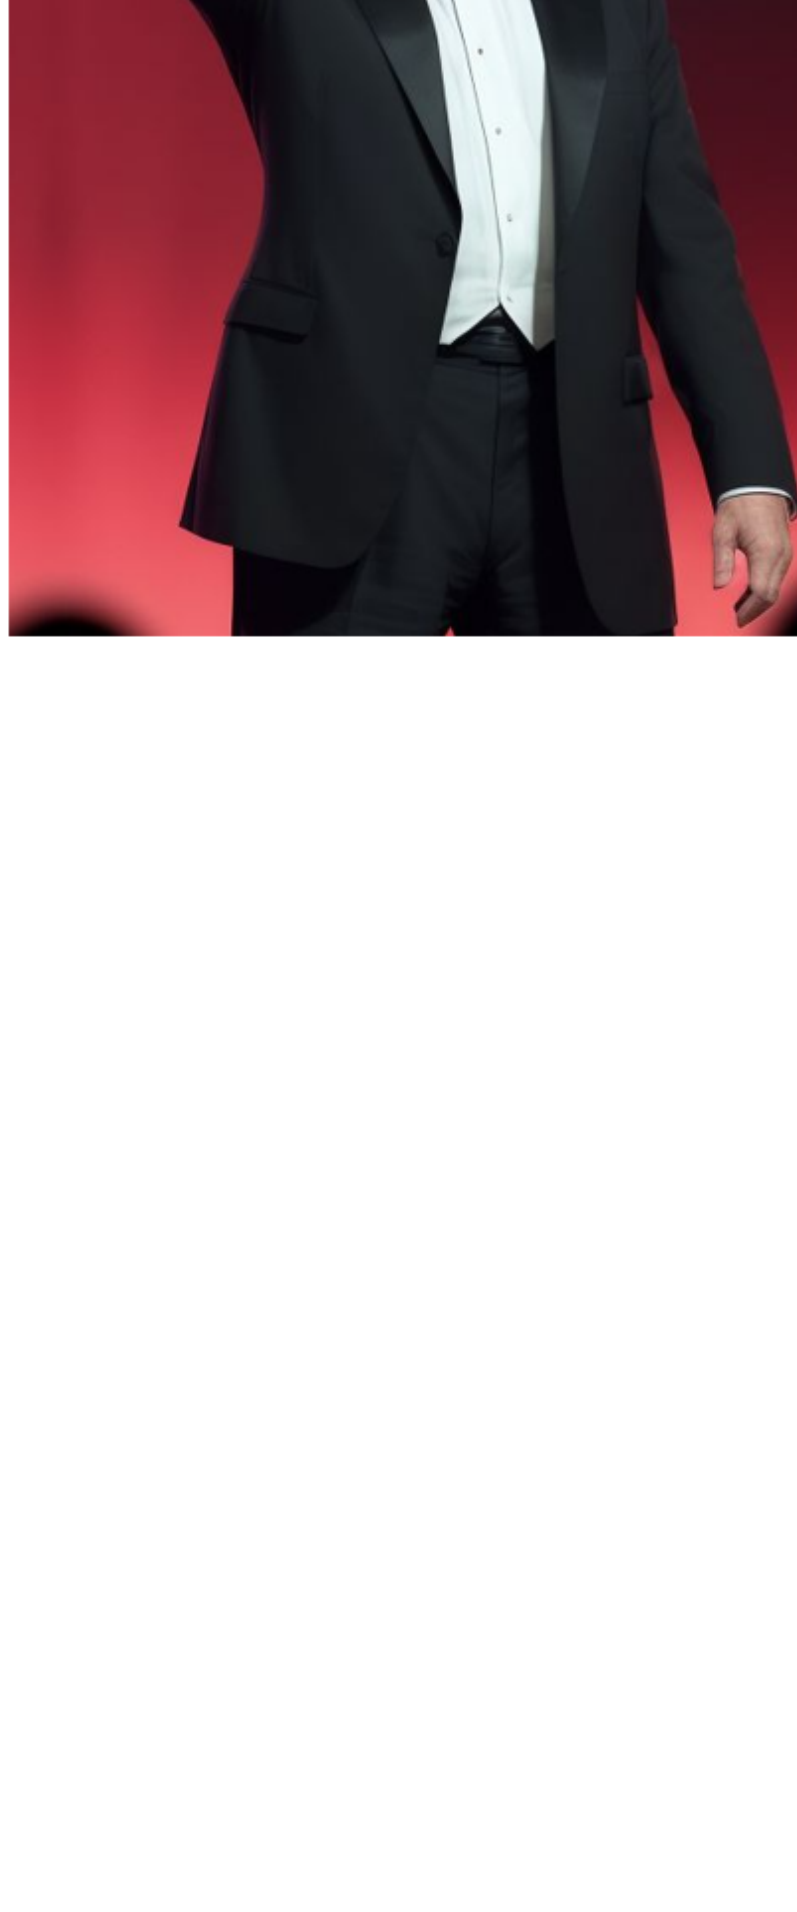

but this is not a scam like \$trump coin. much the contrary

**fairlaunch, no insiders**

**no pre-sale,  
max 1B supply  
Ownership renounced, immutable  
Fully audited**

**top 50 hodlers earn LP rewards once migrated / bonded to  
Metedora. when market cap reaches 432 SOL.  
Rewards are auto-claimed & airdropped on a daily basis.**

*And fuck your trumpnomics scam*

because \$FUCKTRUMP is bigger than \$TRUMP
